

Thank You

Dear Andrew, Samantha & the Soccerwise team,

A huge thanks for Soccerwise's wonderful support of our GBH Big Day Out.

The day was a big success enabling our school community (and beyond) to enjoy a wonderful carnival which showcased our fabulous new facility and grounds.

In addition, the event was a great fund raiser.

The Soccerwise Arena in particular generated a great deal of interest and kept hundreds of children entertained and active all day. The Team was so professional and friendly, your set up was fabulous and the children clearly had an absolute ball. Soccerwise provided the perfect sports activity for our Big day.

We sincerely thank Soccerwise for its support of Mount Scopus.

With thanks and kind regards,
